Instructions No (14) for year 2011

Disclosure requirements

According to ISC Interim Low number 74 for year 2004 and its amendments, and to fulfill the disclosure requirements by the listed companies at the exact dates which prescribed in the law, so the commission council has decided to do amendments on the instructions that have been sent to you in our publicizing of number 13\304 at 9\3\2010, to be as the following:

1)

A. The company must introduce the annual financial statements which issued by the auditor in a period not more than (150) days from ending the financial year.

B. Financial fine of (250,000) ID has been imposed on a month or less than month late for (60) days only.

C. The company trading will be suspended at ISX in case of exceeding the duration shows in article (a) & (b) above.

D. The suspended company will not re-trade at ISX unless the fulfillers of the disclosure requirements and paying the monthly fines plus tow millions ID in order to re -trade.

2)

A. The company must introduce the quarter financial statements in a period not more than (60) days from ending the quarter.

B. Fine of (50,000) ID has been imposed if the company didn't introduce the quarter statements during the period which mentioned in (a) above for one month or part of it, then the shares of the company will be stop for trading at ISX.

C. The suspended company will not re-trade its shares at ISX because of article (2) unless the fulfillers of the disclosure requirements and paying the sum of fines.

3) This decision shall not enter into force on the suspended company because of not introducing the disclosure requirements till the fulfillers of re-trading requirements.

4) These instructions must be executed from date 1\1\2011.
